- 2 folders – 1 red, 1 blue
- 1 folder (any design)
- Glue stick multipack

- 1 inch binder (any color)
- 2 spiral notebooks (any design)
- 1 multipack presharpended pencils
- Cleaning wipes
- 1 package of dry erase markers (thin)

I will be using chairpockets to hold supplies, and primary journals for free writing. I will purchase both, in bulk, over the summer. In September I will let parents know the cost. In years past the purchase of both has not exceeded \$8 per student.

Summer reading- It is very important that you encourage your child to read over the summer. I am requiring they read one nonfiction book by Gail Gibbons. She has a multitude of titles ranging from sports to insects and everything in between. All local libraries carry her books as well as all bookstores. They should also read a fictional chapter book of their choice. Some suggestions would be A to Z Mysteries, Junie B. Jones, The Magic Treehouse, Calendar Mysteries, etc. I have attached a fiction and a nonfiction report sheet to be completed and brought the first week of school.

Enjoy the summer sun and family time. I look forward to seeing you soon and can't wait to start learning together.
